

ATTENTION BIOLOGY TEACHERS

2019 BEANZ Level 3 Biology Practice Examination

BEANZ is once again providing a package of NCEA Level 3 “Practice” Examination papers & Assessment Schedules (with suggested grade boundaries) for the all 3 Biology External standards.

This Practice Examination has now been produced for 15 years. The files are sent as WORD documents so that your school logo can be added, and the paper can be formatted/edited to suit your school examination policies.

Two versions

- The “**traditional**” version is similar to previous BEANZ practice exams in style and length of question. This will allow schools the flexibility to focus on particular questions and contexts. ***It is not expected that this version is used as a whole one hour exam.***
- The “**Lite**” version is a trimmed down version of the traditional one, which will more closely reflect the expected length and content of past NZQA Examinations.

Both versions will be provided to you with the purchase of the 2019 Level 3 Biology Practice Examination.

BEANZ would like to thank all those who have provided feedback towards the way the examinations are prepared. If you have not purchased the exams in the past, or have stopped, we kindly urge you try it this year.
