

ASTA and Stardome are bringing you an evening with the stars

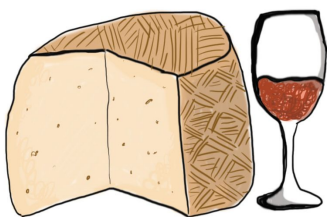

Date: Wednesday 11th September, 4:30 - 6:30 pm (7 pm onwards weather permitting for using the telescopes)

Cost: Free

Event Location: Stardome, 670 Manukau Road Epsom

Who should come: For primary & secondary science teachers to improve knowledge and programs available on earth and space science.

Details: Come join us for an evening at Stardome. Stardome are keen to let educators know about all the things they can do for you - including their new supervolcanoes talk. There will be a planetarium show on supervolcanoes, a discussion on the weather on different planets and New Zealand Geology, a Q & A session for those student questions you just can't answer and the telescopes will be available for use to see the stars. Or even get Stardome to come to you!

Wine and cheese provided, so it could be a good chance to catch up with your colleagues from other schools too.

RSVP: By signing up on this [Google form](#) by the 4th of September
