

Attention: Year 13 Chemistry students

**PRACTICE DAY WORKSHOP FOR NZQA
SCHOLARSHIP CHEMISTRY**

at the School of Chemical Sciences, The University of Auckland.

Saturday, 12th October 2019

9.00 a.m. – 3.30 p.m.

Registration opens 8.15 a.m.

PLT1 Lecture Theatre

Ground Floor, Science Centre

Building 303, The University of Auckland

38 Princes St (corner Princes St & Wellesley St), Auckland

This workshop in CHEMISTRY provides students with an opportunity to practice answering typical scholarship-style questions as well as strategies for solving problems. The focus is to support students in their preparation for the Scholarship Chemistry exam including an overview of skills required, guided practice at problem solving, and highlighting of common misconceptions and difficulties.

Cost: \$40.00

Payment at registration on day as EFTPOS or credit card if possible.

Bring your own lunch!! (food not provided).

If attending, please provide the following details **by email** to james.brady@auckland.ac.nz BY FRIDAY 4th OCTOBER 2019.
