

Are you a secondary school leader or aspiring leader?

We hope you will be interested in our research project:

Understanding the leadership practices of curriculum middle leaders

The University of Melbourne and the University of Auckland is recruiting New Zealand education colleagues to participate in a research project to investigate the practices of curriculum middle leaders. We are recruiting participants who currently work in a New Zealand secondary school. The project involves talking to one researcher in a 30 minute zoom interview discussing your middle leadership practices, challenges and success. We will provide a token of gratitude in the form of a \$30 supermarket voucher in acknowledgement of your time.

If you are interested in participating please email :
