NAVIGATING THE NCEA CHANGE

Middle Leader + HOD

PLANNING WORKSHOPS

AUCKLAND | MAY | JUNE | 2023

These practical workshops for middle leaders look at the NCEA Change Programme from a subject-specific perspective, with a particular focus on course planning.

They will look at how departments and faculties might use the Big Ideas and Significant Learning of their learning areas to plan Level 1 courses for 2024, and how the currently available information about the Achievement Standards could inform this planning.

**These workshops
are free of charge.**

Register for each workshop via the link below.

www.tinyurl.com/NIFteam2023

Please register by Monday 22 May so we can confirm that the sessions have sufficient numbers to go ahead.
