

1 hour MATHS  
1 hour READING  
1 hour WRITING

## How are we to fit **SCIENCE** in too?!

As part of Primary Science Week, you are invited to join us for a workshop- integrating Science into your classroom programme.

- Explore ways to integrate science into your literacy and maths programmes.
- Get ideas on how to make this fun and practical.
- It's a winner with engaging reluctant writers!

When and where?

Two dates/locations to choose from!

3.30-4.30pm

Tuesday 14 May

Brandon Intermediate  
School

3.30-4.30pm

Thursday 16 May

Kilbirnie School

[Please register by Monday 13 May via this form](#)

Come away feeling inspired and with new ideas and support! Afternoon tea will be provided. 😊

Hope to see you there!
